*Congratulations on your reinstatement! As a student on Continued Academic Probation, your academic future is still in jeopardy. Please know that Illinois State University is concerned and is here to support you in your return to Good Academic Standing through the Project Success program, which is required for all students on Academic Probation.*

### Here is what Project Success can do for you:

- Provide you with the detailed information you NEED to know about being a student on Continued Academic Probation
- Link you with campus services such as tutoring, counseling, mentoring, study groups, and other available campus programs
- Revise goals or set new ones, which will help you return to good academic standing as soon as possible
- Discuss the implications of being an undeclared student at Illinois State
- Offer you support and helpful tips about the “unspoken rules” of campus life, such as the best way to communicate with your professors and more

As stated, Project Success is *required* for all students on Academic Probation. Failure to complete the program will be considered by the Reinstatement Committee should you be dismissed from the University. *“I think that the Project Success program is very helpful. It really opened my eyes to the consequences of being on probation. This semester I have turned things around from a 1.77 GPA last semester to a projected 3.7 GPA. Thanks for your help!”*

*“I enjoy the fact that I’m able to meet with other academic probation students during a seminar and learn about what they’re doing. If something wasn’t working for me, I could use one of their ideas. It seems like I have a lot more options now.”*
